MODEL RUNDOWN

8109 STORAGE CABINET

Four-door cabinet complete with two re-positionable sliding drawers and clear glass shelves. Available in three wood finishes with a satin-etched, tempered glass top.

FEATURE CALLOUTS

KEY FEATURES

VERSATILITY. Corridor offers a high degree of set-up flexibility. Re-position glass shelves and lined drawers from top to bottom, or vice versa.

KEY FEATURES

The possibilities are endless; when cabinets are arranged end-to-end, you can create a storage system that fits any space.

With its unique storage configuration options and clean design aesthetic, Corridor serves equally well as a sideboard, bar, supporting light media or most any storage function in the home or office.

KEY FEATURES

Doors feature soft-close hinges, preventing slamming as they swing shut. They are easily adjustable ensuring perfect alignment.

Sturdy satin-etched, tempered glass tops are scratch- and fingerprint-resistant.

Lined drawers hold small items silently in place during opening & closing.

SELLING CORRIDOR STORAGE

UNDERSTAND

Learn about the customer's storage needs around the home. Point out how Corridor Storage pieces are not only an elegant design statement but a versatile, high-capacity, easy-to-use storage solution that supports a broad range of uses & preferences.

DESCRIBE THE POSSIBILITIES

Explain how Corridor Storage can be configured with drawer & shelf placement to serve variable access and convenience preferences. Highlighting this capability builds value and interest, setting Corridor apart from conventional cabinet designs.

BUILD YOUR SALE

Prompt the customer to consider additional spaces in the home that call for storage. Corridor Storage coordinates with other Corridor models, including dedicated media or office pieces. The wood finishes beautifully complement many interior styles.
