

Luma Office

Your guide to understanding and presenting Luma with confidence.

DESIGNED BY BDI DESIGN STUDIO

BDIUSA.COM

Introduction

Designed to bring clarity and comfort to the workday, the Luma Office Collection includes desks, storage, and accessories that blend modern elegance with thoughtful engineering. With flexible, a la carte components, Luma supports the way you work—whether you're outfitting a compact home office or a full executive suite.

Luma Office brings a sense of calm and clarity to the modern workspace.

Collection Overview

Luma desks are available in two sophisticated finishes: Black or Dune, while accessories and file storage are available in complementary Natural Walnut.

DUNE

BLACK

NATURAL
WALNUT

DESKS

Lift and stationary desks

ACCESSORIES

Keyboard/Storage Drawer & Adjustable Back Panels

STORAGE

File Pedestal and Multifunction Cabinet

Desks

All Luma desks feature satin-etched glass tops, softly beveled edges, and built-in cable management.

LIFT DESK
48" x 24"

Model	6761
Standard	27–44.5H x 48 x 24 in
Metric	69–113H x 121 x 60 cm

LIFT DESK
66" x 28"

Metric	69–113H x 168 x 71 cm

STATIONARY DESK
48" x 24"

Model	6761S
Standard	29H x 48 x 24 in
Metric	74H x 121 x 60 cm

STATIONARY DESK
66" x 28"

Model	6762S
Standard	29H x 66 x 28 in
Metric	74H x 168 x 71 cm

Lift Desks include a programmable control paddle, an integrated power strip, and a smooth four-leg lift mechanism.

DESK FEATURES

SATIN-ETCHED GLASS TOP

A durable, low-glare surface that resists fingerprints and provides a smooth, soft-touch finish ideal for writing, typing, or device use.

SOFTLY BEVELED EDGES

Gently rounded corners and edge profiles minimize wrist and forearm pressure, offering added ergonomic comfort throughout the day.

LIFT DESK FEATURES

4-LEG LIFT SYSTEM

This quiet and stable mechanism lifts evenly from all four corners—providing a smoother, more secure sit-stand transition than typical two-leg frames.

PROGRAMMABLE DIGITAL PADDLE

Mounted on the left or right, the slim control paddle allows for manual height adjustment and two memory presets. A built-in safety lock prevents unintentional movement.

INTEGRATED POWER STRIP

A built-in power solution under the desktop provides plug-and-play convenience for laptop chargers and devices, while minimizing clutter.

Accessories

These optional add-ons allow each workspace to be customized for organization, comfort, and cable management.

KEYBOARD / STORAGE DRAWER

Model	6769
Standard	4H x 31 x 15.25 in
Metric	10H x 79 x 38 cm

ADJUSTABLE BACK PANELS

Model	6766 Small 6767 Large
Standard	14H x 38.5 x 3.5 in 14H x 57 x 3.5 in
Metric	36H x 97 x 9 cm 36H x 144 x 9 cm

ACCESSORIES

KEYBOARD / STORAGE DRAWER

This lined drawer doubles as a soft wrist rest and a mouse-friendly work surface. Side compartments keep pens, notepads, and tech essentials close at hand.

ADJUSTABLE BACK PANELS

Mounted at four different heights, the back panels serve as modesty screens or workspace dividers. A built-in wire trough manages and conceals cables.

Storage

Luma storage pieces pair perfectly with the desks or stand on their own—offering refined style with smart organization inside.

FILE PEDESTAL

Model	6727
Standard	24.5H x 16 x 21.5 in
Metric	63H x 40 x 54 cm

MULTIFUNCTION CABINET

Model	6720
Standard	24.5H x 55 x 19 in
Metric	63H x 140 x 49 cm

STORAGE FEATURES

SLIDING TOP PANEL

The solid wood top glides forward on hidden tracks—making frequently used items easy to access while seated at the desk.

LOCKING STORAGE

Two drawers—one for supplies and one for files—secure with a single lock. Lower drawer provides flexible space for letter and legal-size hanging folders.

STORAGE FEATURES

SATIN-ETCHED GLASS TOP

Durable and smudge-resistant, the glass surface matches Luma desks and provides a sophisticated finishing touch.

SLIDING PRINTER TRAY

The left compartment hides a pull-out tray and offers full rear access for cords—ideal for printers, all-in-ones, or shredders.

STORAGE FEATURES

ADJUSTABLE GLASS SHELF

Supported by precision threaded inserts, the glass shelf can be repositioned or removed to fit tech equipment or supplies.

NEOPRENE-LINED ACCESSORY TRAY

A removable metal tray in the top drawer offers a tidy place to store cables, office tools, or personal accessories.

Tips for Selling Luma Office

1. Highlight Versatility

- Compact footprint works in home offices, shared spaces, or executive suites
- Multi-use surface functions as a desk, meeting table, or creative workspace

2. Demonstrate Features

- Showcase the soft-close drawers and the accessory trays

3. Create a Story

- *“Luma was designed for clarity—every curve, every feature, every detail working together to create a workspace that feels calm, organized, and ready for big ideas.”*

4. Encourage Bundling

- Pair with File Pedestal or Multifunction Cabinet for complete daily organization
- Combine desk accessories for privacy, ergonomic support, and seamless cable control

5. Position as a Premium Upgrade

- A refined look that elevates any workspace, at home or in the office

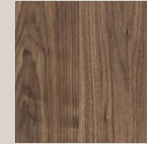

Next Steps

1. Familiarize yourself with each piece and its key features
2. Use the storytelling tips to connect with customers
3. Encourage customers to experience the collection in-store to fully appreciate its quality and details
